

RE CT SB 01076

My name is James Morlino, and I live in Danbury, CT.

Suicide for ANY reason is morally wrong. I know it, and you, in your heart of hearts know it. This is false compassion. And getting government involved in deciding who is worthy of living is reminiscent of Nazi Germany!

PLEASE vote no on this bill which will only lead to lesser restrictions and ultimately to euthanasia.

Sincerely,

James Morlino
